

FREE AND REDUCED-PRICE MEALS

The Board of Education recognizes the importance of good nutrition to each student's educational performance.

Children, eligible for free or reduced-price meals, shall be determined by the criteria established by the Child Nutrition Program. These criteria are issued annually by the Federal government through the State Department of Education.

The Board designates the Superintendent and/or Director of Business Services to determine in accordance State and Federal standards, the eligibility of students for free and/or reduced-price meals.

The schools shall annually notify all families of the availability, eligibility requirements, and/or application procedure for free and reduced-price meals by distributing an application to the family of each student enrolled in the school and shall seek out and apply for such Federal, State, and local funds as may be applied to the District's program of free and reduced-price meals.
